Specific Fundraiser Goals *(Equipment / Event / Project / \$ Amount, etc)*

A little bit about your Group *(It's important for your supporters to know who they're supporting! Let's tell them! 3-5 sentences)*

Preferred Fundraiser Start Date *(We recommend 2 weeks to fundraise, and then our team needs 3 weeks to make and prepare your fundraiser items. It helps to work backwards from the Distribution Date (below).)*

Preferred Fundraiser Distribution Date / Time / Location *(This is the date that your supporters (customers) will meet you to pickup their orders. If your group has a regular meeting/training date and time, that is a great time to schedule it. This time/date/location will be advertised during the fundraiser, so your supporters know in advance when they need to make themselves available to get their product.)*
